Controversial bestselling book on climate change to be launched in Melbourne tonight

Heaven + Earth – Global Warming: The Missing Science, a new book by Professor Ian Plimer about climate change, will be launched at the Hotel Windsor in Melbourne tonight by the Institute of Public Affairs and Connor Court Publishing.

Professor Plimer, Sir Arvi Parbo and John Roskam, executive director of the Institute of Public Affairs, will speak at the launch.

**The launch will be held at 5:30pm at
The Hotel Windsor, 111 Spring St, Melbourne**

Professor Ian Plimer (School of Earth and Environmental Sciences, The University of Adelaide) is Australia's pre-eminent academic geologist, and prominent critic of the theory of human-induced global warming. He has published more than 120 scientific papers on geology, and seven books written for the general public.
