

The 2014 Institute of Public Affairs HV McKay Lecture & Dinner  
Tuesday, 9th September 2014 | Melbourne

# The Energy of Human Flourishing: Liberty, Innovation, and Progress

Delivered by **Robert Bryce**  
Senior Fellow, Manhattan Institute, New York

Robert Bryce is a Senior Fellow in the Center for Energy Policy and the Environment at the Manhattan Institute for Policy Research in New York.

His first book *Pipe Dreams: Greed, Ego, and the Death of Enron* was named one of the best non-fiction books of the year by *Publisher Weekly*.

His most recent book *Smaller Faster Lighter Denser Cheaper* was published in May 2014.

'*Smaller Faster Lighter Denser Cheaper* captures the headlong rush of Western culture's endless drive for ever better technology.'  
*The New York Times*, June 2014

'Bryce delights in mocking the pessimists... and deploys plenty of hard data to support his sunny view of the future.'  
*The Boston Globe*, May 2014

Vote of thanks **Terry McCrann**
